SERVICE EMPLOYEES INTERNATIONAL
UNION, LOCAL 925
Petitioner

ORDER

The Employer's Request for Review of the Regional Director's Supplemental Decision is granted, and the case is remanded to the Regional Director to reopen the record to permit the parties to adduce additional evidence in light of the Board's decision in *Pacific Lutheran University*, 361 NLRB No. 157 (2014).¹

¹ Member Miscimarra joins his colleagues in granting review on this basis. He would grant review on an additional basis consistent with the views he expressed in his partial dissent in *Pacific Lutheran University*, 361 NLRB No. 157, slip op. at 26-27 (2014), because he believes that the instant case raises substantial issues about whether the Board should assert jurisdiction over the Employer.
